WHAT THIS COMMUNITY NEEDS IS YOU!

United Way fights for the basic needs, education, financial stability, and health of every person. But we are more than fund-raisers. We are hand-raisers. We raise our hands not only to lead the fight, but to reach out to people who need help. And hope.

By giving together as a community, with common goals and focus, we have profound impact on local challenges.

So raise your hand if you're ready to be that game-changer. Because United we fight, United we win. To live better, we must Live United.
